

Weapons Storage & Security Solutions

U.S. Military Veteran Owned Business

Mission of providing Quality Equipment to the Warfighter

Does your arms room look like this ?

We can help make it look like this!

Our Cabinets Hold All Types of Weapons

Modular Weapon Storage Systems

Systems can be configured according to individual customer weapons density, All Cabinet Systems parts are made of 2 mm steel construction and powder-coated RAL 9005 Black Matt, all other RAL colors available upon request.

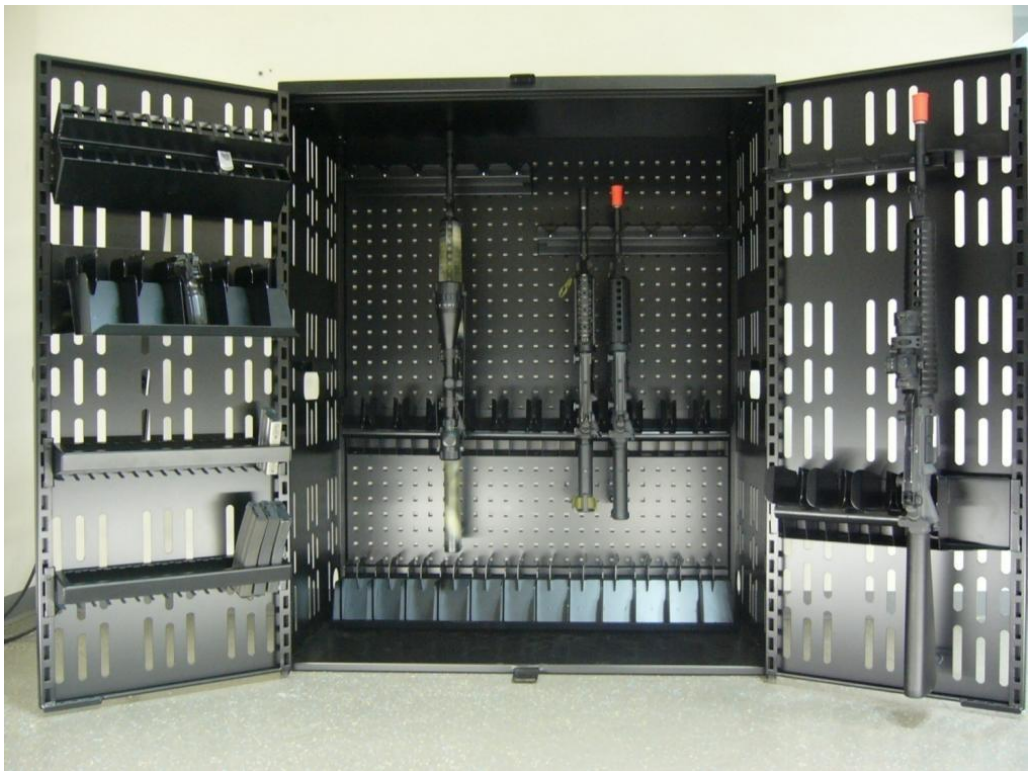

Whatever type of Weapon System you have, we have the solution for your Arms Room Storage !!

Modular Weapon Storage System

MOD-1

This cabinet can hold a variety of weapons

M16, M4, M203, M249, M13, M14, M500, M1200 & M9

This newly innovated weapons storage system model: MOD 1 is adjustable to meet your unit needs. The system can be easily adjusted for squad or platoon storage. Removing the scope from the weapon is no longer required. With options you can store magazines and barrels.

The cabinet can hold:	20 ea	M16 , M4, M203, M13, M14, M500, M1200
