

## Off-Road Hand Pallet Truck

The off-road hand lift truck BF-GL is especially applicable on construction sites and factories. Due to the four pneumatic tires, the manoeuvrability on rough areas works brilliantly.

### Technical data

Lifting power	1200 kg
Lifting height	223 mm
Length of forks	860 mm
Width of forks	212-735 mm
Net weight	235 kg

### Features

- \* Width of forks is adjustable
- \* 4 tires that are filled with air
- \* Width between the tires: 1210mm
- \* Intensified drawbar
- \* Regulated lowering due to hand lever
